

41st Annual AGU Hydrology Days

Webinar: March 30-31, 2021

- Attendees should enter the webinar in listen-only mode (muted, web cams OFF!)
- Each presentation will be 15-mins inclusive of Q&A at the end (as time allows)
- Presentations will begin on time

Hydrology Days

Presenters

- **Webinar** - Arrive at least 10 minutes before your presentation begins with your presentation open and ready. Sessions and presentations will begin on time:
 - Presentations are 15-minutes each, inclusive of questions and transitions.
 - Slide should be formatted widescreen (16:9)
 - If presenters are unable to join we will maintain the posted schedule (i.e. we will not shift presentations)
